

Coverage you can count on

Your Aetna® retiree health insurance available through your Emeriti Retirement Healthcare Savings Plan

Emeriti and Aetna have teamed up to provide retiree health insurance options just for Emeriti retirees. These plans include Aetna Medicare Advantage, Medicare Part D prescription drug coverage and dental plans available to you.

Medicare Advantage plans are private medical plans that offer the same benefits as Original Medicare and programs that Original Medicare doesn't cover. In fact, you must have Original Medicare to be enrolled in a Medicare Advantage plan.

You have our commitment to provide you with coverage that supports your health needs. More than **3.2 million** retirees chose Aetna for their health care. Now we're here for you, too.

Open Enrollment is just around the corner: October 15 to December 7, 2023

If you're satisfied with your current Aetna coverage, you don't have to do anything. You'll be automatically enrolled in the same plans for 2024. If you'd like to opt out of your current coverage or switch plans, follow one of the two steps below by December 7, 2023.

1. Visit **MyEmeritiBenefits.org** to enroll online.

Or

2. Enroll by phone by calling the Emeriti Service Center at **1-866-EMERITI (1-866-363-7484)**, Monday to Friday, 8:00 AM to 5:30 PM ET.

Be sure to have the following information available:

- Your Social Security number
- Social Security number for your spouse or domestic partner, if applicable
- Medicare number and effective dates of coverage (on Medicare card)

Key information to note:

- If you select a medical plan, you must also select a prescription drug plan. You cannot select a medical plan only. However, you may select only the Rx Standard Plan as a standalone option and add medical coverage at a later date.
- If you are continuing enrollment in the Aetna retiree health insurance, do not sign up for another Medicare Part D drug plan offered by another source. If you sign up for another Part D plan outside of the Emeriti Plan, your Aetna retiree medical, prescription drug, and dental coverage will all be cancelled.

Flexibility and confidence to choose your doctors

Your Aetna® plan is a Preferred Provider Organization (PPO). This means you have the flexibility to see any licensed provider or hospital as long as the provider is:

- Eligible to receive payment under Medicare
- Willing to bill and accept payment from Aetna

All Aetna Medicare network doctors are already confirmed to accept the plan. With over **1.1 million** providers and over **4,200** hospitals in our network,* there's an excellent chance you can keep using the health care providers you know and trust. Remember, you may pay more for out-of-network services.

You'll never need a referral to see a specialist, and your coverage follows you wherever you travel, nationwide. Plus, you're covered for urgent and emergency care, worldwide.

We're here to help

Call us at **1-855-212-5666 (TTY:711)**, Monday to Friday, 8 AM to 8 PM ET, to find out if your doctor accepts the plan. We'll contact them to confirm. We can also help you find other nearby doctors and hospitals to meet your needs.

*Aetna Medicare Advantage PPO network as of January 2023.
